Content and Design Competition  
Stevns Klint Visitor Centre  
15 March 2019

With this quote, the undersigned design and build contractor offers to program, design and construct a fully-fledged project as a complete deliverable in compliance with the tender documents issued by the Foundation Stevns Klint Visitor Centre, dated 15 March 2019, and subsequently issued amendments.

The quote should be organised in a way that makes it possible for the design and build contractor and client jointly to develop the final solution during the programming and design phases.

If the consequences of programming and design phases is a cost above to financial framework or the design and build contractors quote, the parties must jointly adapt the project, so the total quote amount is maintained. The supplier must contain any costs for project adaptation in the quote.
